

## Point Stool

The simplest of all Orangebox upholstered products and perhaps the most usable. Works harmoniously with contemporary products, or you can achieve an unexpected twist in more conservative settings with careful selection of fabric or leather. Can be specified with glides, castors or disc base

# Point Stool

## Standard Product Information

Fully upholstered seat with cut foam.

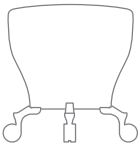

Frame: Plywood and hardwood with glued and screwed joints.

Legs: Cast aluminium finished in painted metallic silver.

Feet: Castor with two tone as standard. Glide is as option with upcharge.

SEPOL  
Point Stool with castor
