

Downtown

by Poltrona Frau

Jean-Marie Massaud | 2014

Pelle Frau® Color System leather upholstery that fits like a glove, a sculptural silhouette, and tone-on-tone stitching are hallmarks of Downtown executive and visitor chairs. The back is inspired by an elegant dress. Available in five versions, the profile stays slim by hiding the built-in mechanisms. For added comfort, optional micro-perforation for the seat interior allows the chair to breathe.
