

Ginger

by Poltrona Frau

Roberto Lazzeroni | 2011

The Ginger chair is distinguished by a single hide of Pelle Frau® Saddle Extra leather cut and folded to form the shell. Decorative topstitching runs along the edge. Pelle Frau® Color System leather on the interior contrasts with the materials and colors of the shell and frame. Ginger pairs naturally with the Fred desk or works on its own in private offices, libraries, cafés, reception areas, and formal meeting rooms.
