

LC2 by Cassina

Le Corbusier, Pierre Jeanneret, Charlotte Perriand | 1928

LC2 seating expresses rationalism in design, as well as good taste. The exposed steel structure of each piece is both functional and meant to be seen. LC2 is available as a lounge chair, a two seat sofa, and a three seat sofa. Frames and cushions, upholstered in LCX leather or Kvadrat® fabric, can be color coordinated. LC2 is included in the design collection of the Museum of Modern Art.
