In business today, it's about the LOOK. Projecting the right image for your people, your space, your company. With endless aesthetic and performance options, LOOK works seamlessly with any interior space. Its understated modern design speaks volumes without screaming for attention.

LOOK Cool

Communication is everything. Even in the way you look. Pick your patterns. Flaunt your fabrics. LOOK is fashion minus the runway, and without the runway prices. Be bold. Be classic. Be yourself.

Ergonomic Adjustments

Because it moves with you and adjusts for you, LOOK fits 90% of the population comfortably.

- 1 Back-height adjustment
- 2 Forward tilt/four-position back lock
- 3 Seat-depth adjustment
- 4 Tilt-tension adjustment
- 5 Pneumatic seat-height adjustment

Easy-to-reach levers make comfort instantaneous.

- 6 Braille user instructions under levers
- 7 Embossed user instructions on stainless steel lever inserts

Arm yourself with a task chair that completely supports you.

- 8 Arm-height adjustment
- 9 360° arm rotation
- 10 Arm-width adjustment

LOOK Around

Go ahead. LOOK. In the boardroom, cafeteria, training rooms, call centers and teaming spaces. It's amazing. Every place with its own LOOK. Its own personality. But all looking good together. Kick the casters. Take a seat. You'll never look so good for so little.

LOOK Task Chairs: Standard features include full upholstery, pneumatic seat-height adjustment, synchronized tilt mechanism, tilt-tension adjustment, back-height adjustment, seat-depth adjustment, and embossed and Braille instructions on user controls. Optional features include forward tilt (3° forward), four-position back lock and hard or soft dual-wheel casters. Available arm styles are armless, fixed, height/rotation and height/width/rotation with fingertip activation (4" height adjustment, 2" width adjustment, 360° rotation). Arm caps are soft black vinyl.
