## Essence.2

A project providing a new concept of managerial furniture by utilising an innovating range of customized solutions. The natural lines of a real wood veneer desk top, enhanced with a polished stainless steel design element.

An innovation of design intergrating both classical features together with a modern and contemporary feel.

The various veneer features combine into structural elements allowing flexible configurations for all space typologies.

The space all round. A complete line of veneered storage cabinets, providing arrange of storage option whilst maintaining the characteristics of personal taste.

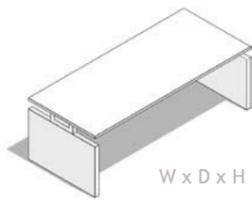

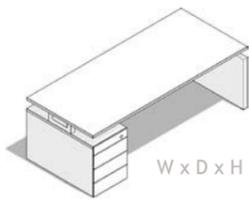

Comfort, elegance and image, for  
a new way to live the office.
