## Track

This design answers the need for a comfortable upholstered lounge chair with a light footprint. It shares the same language as Track Work but is designed as a lounge chair. Can be used as a group around an occasional table or combined with larger Landscape pieces, such as Perimeter or Boundary.

# Track Lounge & Work

## Standard Product Information

Fully upholstered seat with cut foam.

Frame: Moulded plywood with screw joints.

Backstem: Steel moulded finished in painted metallic silver.

Column: Mid steel finished in painted metallic silver.

Legs: Die-cast aluminium 4 star base finished in painted metallic silver.

Feet: Glide finished in painted metallic silver as standard. For 4 star base, castor is an optional up charge.

For flat 4 star base, standard with nylon glides, there are three other available option with no up charge.

Soft glide: For stone, slate, terracota tiles etc.

Super glide: For sisal carpet, wool & nylon tiles, cork etc.

Stop glide: For laminates, smooth wood, marble etc.

## Upholstery:

Surface 1: The fabric of the seat

Surface 2: The fabric of the back

## Optional Upcharges

Polished legs & chrome column & chrome backstem & chrome glide (SETRWKS & SETRLGS).

Castor with two tone (SETRWKS & SETRLGS).

Polished base & chrome column & chrome backstem (SETRWKF & SETRLGF).
